Dear Minister

I attach a copy of a letter that I sent by post to Jeremy Quin MP Ministry of Defence, Floor 5, Zone B, Main Building, Whitehall, London SW1A 2HP, as he suggested in his letter 12 May 2021. I have not received an acknowledgement or reply and I have concerns that this may not have reached you.

I would be obliged to receive confirmation that this letter has been received and a date by which I might be expected to receive a response.

Yours Sincerely

Nigel Manning
Chairman
Ash Parish Council

Dear Councillor Manning,

Please see attached letter from Jeremy Quin. The attached letter replaces the version dated 4 May.

The 2nd para had a wrong figure transposed within it

Many thanks
